

Energy saver/Capacity holder Nomination

The Energy Savings Scheme (ESS) and the Peak Demand Reduction Scheme (PDRS) create certificates from projects that produce energy savings and/or the capacity to reduce demand on our electricity network during peak times. As the person that has undertaken a project you are the original Energy saver/Capacity holder (**Section 1**) and have the right to the energy savings, and/or the peak demand reduction capacity for the activity described in **Section 2**. By signing this form, you give them the right to be the energy saver/capacity holder for the purpose of these schemes, so that they can then create and sell certificates.
